LIQUID CATHARTIC,

Pleasant Family Physic.

A Sent to the taste, unexcelled in its that upon the Liver, Stomach, and general system. As an antibilious and alterative physic, this medicine HAS NO EQUAL IN THE WORLD.

I have used it constantly in my practice for upwards of ten years in all cases where a good physic and alterative was required, and would not now do without it. It is the Physician's Assistant, as well as the safest family medicine in use. Children drink it with pleasure. It will not nauseate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to eradicate all impurities from the system if it is properly taken. Already thousands of living witnesses are ready to testify to its superior virtues, independent of its purgative and anti-bilious qualities. It has cured the worst cases of Erysipelas in a few days. It is a never-falling cure for Headache, Liver Complaint, Jaundice, Ridney Complaint, Billious Fever, Pains in the Side, Back, Breast, and Limbs, Colds, Cramps, Worms, Lumbago, Blotches on the Skin, Pimples, Cutaneous Eruptions, Obstructions in the System, Constipation of the Bowels, Dizziness, Mercurial Diseases, Pleurisy, Female Irregularities, Bowel Complaints, Ulcers of all kinds, &c. It cleanses by its superior medicinal virtues, the ulcerous humor from the blood and corrupt bile from the stomach, carrying it off through the natural channels; it invigorates the blood and leaves the system healthy. I ask my friends to test the above medicine, and pronounce a verdict as they shall be impressed by the evidence. Those who know me professionally will not doubt its worth.

Since its first introduction, no medicine has attained such wonderful popularity, and its sales have increased beyond the most sanguine bopes of its friends. Neighbors recommend it as a safe and unequalled use no other in their familes. People living in low and marshy countries, subject to deadly missmas where Fevers, Ague and Fever, and bilious complaints are more apt to be, will find the "Liquid Cathartio" th

ltching Eruptions, &c. The design of this Syrup is to re-establish the healthy functions of the System, without producing any very sensible evacuation; not being intended to act particularly upon the bowels' but directly, and with the greatest effect, upon the Blood

I have tried every preparation used by modern Physicians, with the most distinguished and celebrated patent nostrums, now so highly extolled; as the various Panaceas, Sarasparilla Syrups, Balsams, and Extracts; and, after repeated trials for years, in different forms of disease, I have found that this Syrup, beyond all comparison, far exceeds them all. In Chronic Inflaumation of the Liver White Swelling, Necrosis, or Fever Seres, Rickets, Pistula, and King's Evil; in ahort, in every taint of the system or blood, from whatever cause it may arise, or howeves long standing, this medicine will be a pre-eminently superior article, and of the highest value in all cases for which it is recommended. Price \$1.

DR. BROTHERS'

Sudorific Tincture or Sweating Drops.

This medicine is truly unsurpassed in fulfilling the indications for which it is given, which is generally to produce free perspiration; hence its great and pre-eminent value in severe and violent colds and coughs, fevera, inflammations, pleurisy, neuralgia, quinsy; and sibo in allaying pain, however acute, as in bilious cholic, rheumatism, gravel, retention of urine, painful menstruation, &c. Price 50 cents.

DR. BROTHERS'

Compound Ulmus Powders, for Poultices.

This Powder made into Poultices is the most efficatious of any of the various kinds recommended, and among all the different kinds used, I know of none which is equal to this for all inflaumations, whether of the eyes, face, limbs, or other parts of the bedy—for Burns, Ulcers, Sore and Inflamed Breasts, Erysipelas or St. Anthony's Fire, Piles, White Swellings, King's Evil, or Scrofalous and Fever Sores, and Cuts, Inflamed Wounds, Carbuneles, &c. It rapidly diminishes pain, heat, swelling, and where there is any gathering of purulent matt

derangement of the bowels, and consequently the Pilea.

Most of the remedies now in use for this dangerous and painful affection, are directed to be applied externally; they do not remove the cause of the complaint, and can therefore afford only temporary relief. 'Again, the disease is often beyond the reach of aid from external applications, an objection to which this remedy is not liable, it being taken internally it is perfectly safe, pleasant to take, mild and easy in its operation, and affords immediate relief.

It is equally efficacious in curing both the Blind and Bleeding Piles. If the bowels are left costive after the use of this medicine, a little physic may be taken to regulate them. Having been trying the All Healing Ointment in some very bad cases of Piles, I hesitate not to assure the afflicted that it is a very valuable medicine, and an inestimable auxiliary to the Electuary. I consider it the best external application, used in connexion, I doubt not would be affectual in the most obstinate cases, and must surpass in all instances any other remedies for Piles to be found. Price \$1.

Complaints of Children.

This Medicine possesses the power, in a very remarkable manner, of neutralizing the acidity of the Slomach, or removing the morbid or scrid secretions of the Liver, which are the exciting causes of bowel complaints in general. It allays sickness of the stomach, removes the pain, causes healthy evacuations from the bowels, at the same time acts as a gentle astringent. Hence it will be found a very superior and valuable remedy, in both acute and chronic diseases of the bowels, in Diarrhosa, Dysentery, Cholera Morbus, and Summer Complaints of Children. In all these complaints the liver is usually more or less affected, the stomach in an irritable, and the bowels in an inflamed condition. This medicine is most offectual in relieving all these organs, restoring their tone and natural functions. Among all the numerous remedies for these diseases, some of which are strongly recommended, this has proved itself, in every instance, to be the best, the surest, safest, and nost effective of all. I do not think its equal can be found for children when teething, or as a remedy for bowel complaints. Price 50 cents.

All my medicines are put up under my own personal supervision, and the public are assured that they are prepared of the best imported vegetable ingredients, and can be obtained only at our office, No. 179 South B street, opposite Smithsonian Institution, where they have done a large and successful practice for the last six years, in the treatment of all Chronic Diseases, and those diseases produced by the Old School Mineral Physicians, by the indiscriminate use of Mercury, Arsenic, Antimony, &c. Happily for suffering humanity, their practice is so manifestly injurious, that it is now gradually on the wane, and must in a few years sink into oblivion.

What a pity that a young man, the hope of his country, and the darling of his parents, should be snatched from all prospects and enjoyments or inc. by the consequences of deviating from the pais of nature, and indulging in a certain secret habit. Such persons, before contemplating.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well-known physicians and individuals, in all parts of the country is small near. The following from North Carolina is respectfully submitted, referring any who may still doubt to the "Memorabilia," or Practical Receipt block, for Farmers and Families, to be had gratis of all the agents for the German Bitters.

Principal of the agent Manufactory 120, Arch street, Philadely his, Pennsylvania:

TESTIMONY as a NORTH CAROLINA.

Gertificate of Dr. W. Smith, of Pine Hill, Rich mond County, North Carolina.

Dear Sin: I have been a subject of Dyspepsia, in its worst form, for the last five years. Such was my condition for twelve months that the pursicians and all who saw the said I must die. While in this condition, I was carried to the watering places in Virginia, Tennessee, and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Rutherfordion, a small village in North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Rutherfordion, a small village in North Carolina, to try the effect of some Chalybeate water in that place. About the last of the week I went into a drug store to get some inedicine for my child and myself. There were several of the village physicians in the stere, and one of them seemed to take some interest in my case, and, after saking me some questions, said he had been a dyspeptic, and had been greatly henefited by the use of "Hoofland's German Bitters," prepared by yeu, and he insisted that I would try the Bitters. He also called the next day at my room, and insisted so much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, (ha a dyspeptic,) and I gave him nearly all the Bitters I had left, which effected much good in his case. He has often called on me for more of the same kind of medicine, saying he was more benefited by it than any other he had taken, but I have not been able to get any more for him or myself since. Will you, therefore, please ship me a dozen or more as soon as possible.

Respectfully, yours,

Dr. C. M. Jacksor, Philadelphia.

Dr. C. M. Jackson, Philadelphia.

D. R. Hocker, Roger's Store, Wake county, North Carolina, October 24, 1888, says:

"Having experienced very great benefit from the use of Hoofland's German Bitters, in Chronic Dysentery and Functional Decangement of the Liver, and its concomitant evils, I am desirous of obtaining a quantity of it for the benefit of my community. You will, therefore, please send a lot, &c."
